A Virgin Records promotional display in a dark room. The display consists of a wooden shelf supported by black metal poles. On the shelf, a large, glowing red neon sign spells out "Virgin" in a stylized script. Below the sign, a small, glowing blue neon sign is visible. To the right of the shelf, a large black subwoofer stands vertically, with the word "Virgin" written on it. The background wall is dark, and a large, stylized red and white graphic is visible. On the right wall, several framed pictures are hanging. The floor is covered with a patterned rug.
